

SMALL GROUP TUTORING 2024-25

Mrs. Domzalski and Mrs. Walsh will be offering small group tutoring this school year for first and second graders in the areas of Reading and Math.

We work on reading skills, sight words, spelling words, and daily homework in reading and math. The focus of this tutoring group is for the children to review the material and practice the grade level skills in a small group setting.

Tutoring will be held after school on Mondays, Tuesdays, and Thursdays from 3:00-4:00 in Mrs. Domzalski's classroom. We will also meet on Wednesdays when the teachers do not have a scheduled meeting. We would let you know this information at the beginning of each month. We will begin small group tutoring in September.

The cost for small group tutoring is \$100 a month.

PLEASE email Mrs. Domzalski or Mrs. Walsh if you are interested in this for your child.
