

November Math Mania/Grade 7

Every Tuesday of the month Mrs.Colley will be offering a “Review and Practice”/Complete Math Homework session in order to reinforce the Math skills that are currently being taught in the classroom. Math Mania is meant to provide both an individualized and small group setting for students to build their confidence in Math and improve their overall performance. In addition to this review and practice, the students will work on standardized test taking skills.

These classes will be offered for all 7th grade students...however class size is limited!! Below are details for the class if you feel your child would benefit from this learning environment!
