

High School Placement Test Preparation Class

The class will consist of four 50 minute classes to review and brush up on material covered on the High School Placement Test, and will be in addition to our in-class practice. In a small group setting, we will practice skills not only for the Placement Test, but for their continuing success.

We will primarily focus on: Reading comprehension, reading skills, grammar, usage, mechanics, analogies, and test taking strategies.

Students will receive and can keep: Additional practice test questions, a test-taking strategy guide, and suggestions for more resources.

Dates and location: Mon, Tue 11/29, 11/30. 12/1, 12/2 in the 7B classroom.

Class size is limited to 25 students; the class cost of \$60 is due by November 22. Please send payment to Brian Stephenson.

Students will need to be picked up in the front parking lot at 4:00.

A set of test preparation materials will be provided.

Please fill out this information and have your child return it to me.

Student Name: _____

Parent name: _____

Contact information/phone number: _____

Thank you!
