

Ready, Set, Study!

Mrs. Stull and Mrs. Schulten will be offering an after school enrichment program for students in grade 3. The primary focus of this enrichment program will be to provide assistance with homework. They will work with the students to reinforce and review concepts currently being taught in the classroom. This will provide both an individualized and small group setting for students to build their confidence in math, reading, science, social studies, cross-curricular study skills development, and homework completion.

The students will meet once each week throughout the school year on Tuesdays from 3-4:00p.m. **The fee for the second trimester session will be \$200** . Payment is due at the beginning of each trimester.

If you are interested in your student(s) participating in this program, please complete the bottom of this form and return it to school marked "Attention Mrs. Stull" along with your trimester payment. **Please make your check payable to Michelle Stull**. If you have any additional questions, please feel free to contact Mrs. Stull, mstull@stmm.org or Mrs. Schulten, jschulten@stmm.org. Thank you,

Michelle Stull and Jenny Schulten
