Photography & Cinematography

Are you interested in learning how to take better photos? Do you want to know why your favorite movies and shows work so well? Would you like to learn how to plan, shoot, and edit your own short films? If so, then you will enjoy the after school Photography & Cinematography Club!

Any students that join will learn a broad baseline of skills or improve their current skills. For photography, they will practice how to frame photos, choose dynamic subjects, shoot in low light conditions, take action shots, and more! For cinematography, they will create storyboards, write dialogue, block scenes, and edit their movies!

Date & Time: The class goes from 3:00-4:10, Mondays and Tuesdays (except for the * dates).

Pick-up: Student pick-up is at the main entrance at 4:10.

Trimester 2 Dates: 11/13, 11/14, 11/20, 11/29*, 11/30*, 12/7*, 12/11, 12/12, 1/8/, 1/9, 1/16, 1/22, 1/23, 1/29, 1/30, 2/5, 2/6, 2/19, 2/20

Cost: \$17 per class or \$2323 for the 2nd trimester. Please make checks out to 'Brian Stephenson'.

Materials: Students will need a camera of some kind (their phone is fine). All other equipment, materials, pdf lessons, and editing software will be provided!
