	February 4, 2024	February 11, 2024
Theme	Job's cry of hopelessness stands in marked contrast to the hope of those who put their trust in Jesus, who "heals the broken hearted and binds up their wounds." Such are the blessings of the good news.	Jesus manifests the powerful, healing love of God by curing the leper who was forced to live under sever restrictions by Jewish legislation. He turned to Jesus in his need and was filled with joy. We are called to imitate the healing and compassionate Jesus.
