<b>Theme</b>	Be reconciled and return to the Lord by means of prayer, fasting, and deeds of loving service.	Mindful of his covenant, the Lord promises never to destroy creation again by floodwaters. The waters of baptism bring salvation and forgiveness through the death of Christ. After fasting forty days and being put to the test, Jesus begins his public ministry.	Abraham offers the ultimate sacrifice of thanksgiving, the gift of his very Son. This sacrifice prefigures the sacrifice of Jesus who died for us all. In His transfiguration, Jesus discloses a suffering messiahship.

<b>Theme</b>	The law liberates and leads us to freedom. It is to be trusted for it is a source of wisdom. Jesus speaks of the ultimate freedom to be won for us by His being raised up. He is the sign of the power and wisdom of God.	God pardons and raises up those who have been unfaithful, those who have loved the darkness rather than the light. For God so loved the world that He sent His only Son to deliver the world from exile.	The grain of wheat must die to produce fruit. Such dying must be cultivated by obedience and by our covenant with God, rooted in love and forgiveness.
