St. Margaret Mary Preschool

St. Margaret Mary Preschool is a vital part of the St. Margaret Mary Parish and School Community. In partnership with parents, we are committed to nurturing the uniqueness of each student as we provide a quality educational program. The preschool provides a supportive and compassionate learning environment that assists students in becoming their best selves; socially, emotionally, and academically. Students will learn to work in community, grow in independence, and be challenged to become moral, responsible, and self-motivated community members. We will foster a love for learning and a curiosity about the world around them through a variety of experiences, resources, projects, and programs.

The program provides for the total child: His/Her particular needs within their moral and spiritual, social, emotional, physical, and mental development.

Through play, children learn how to navigate the world around them, how to get along with others, and how to creatively problem solve.

Preschool Policies and Procedures:

Hours of Operation- The preschool classroom opens at 7:30 AM. School ends at 2:45 PM. Limited After Care is available through the Northeast YMCA at an additional cost. Preschool drop off and pick up will be at the K doors. The preschool will operate on the same calendar and schedule as St. Margaret Mary School. Please see the school calendar for holidays and early release days. If school is not in session, neither is the preschool.

Snow/inclement weather days- We will follow the snow day closures set by the Archdiocese of Louisville.

If a child brings lunch from home, it must contain the following: unflavored milk, a meat or meat alternative, a whole grain, two different vegetables, or a fruit and one vegetable. If a child brings lunch without these required items, we will have to purchase them from the cafeteria and charge the child's lunch account. This is state mandated.

A doctor's statement is required for all children who have food allergies so that adjustments to the menu can be made.

Toileting- All children **MUST** be fully potty trained before entering SMM Preschool. Students must be in underwear and not pull-ups. They will be able to pull up and down their own underwear and pants for toileting. Students are accepted into the program on a conditional basis to ensure potty training. NO exceptions will be made.

Discipline- The goal of the preschool is to teach children to develop self-regulation. The guidance techniques used are at the developmental level of the child. The preschool will discipline through positive guidance and redirection to help students develop self-regulation and assume responsibility for his/her actions. Methods will include: positive reinforcement, redirection, time-out, and teaching children problem solving skills. Children are given clear expectations for behavior. Should behavior problems continue, the parent and teacher will work together to find an appropriate course of action. Individualized behavior plans can be utilized when necessary.

In order to provide a safe and consistent environment the staff will:

- Establish fair and consistent rules of behavior
- Demonstrate coping skills
- Provide safe and attractive learning spaces
- Offer a variety of constructive and engaging activities
- Engage children in play
- Distract and redirect when possible
- Remind students of rules and procedures often
- Help with problem solving by discussing choices and consequences

Sometimes it is necessary to address an undesirable behavior with a consequence. When necessary, we will do the following:

The school sends out weekly newsletters and Tuesday reminders through email. You will also receive communication directly from your classroom teacher. School staff will often contact parents through email and phone calls. Please be sure that we have your correct contact information. Teachers and the school office must be notified in writing of any transportation changes. Please do not expect your child to relay the message.

Parent/Teacher/Student Conferences- PTS conferences are scheduled twice a year. You will be notified in advance as to how to sign up for a conference. You are also welcome to contact the teacher or school staff at any time to discuss your concerns or ask questions. Please allow up to 24 hours for a follow-up response.
